

**BREWSTER HIGH SCHOOL-PHYSICAL EDUCATION DEPARTMENT
REQUEST FOR ATHLETIC OPTION-2019-2020**

Name: _____ Grade: _____ Date: _____

Sport: _____ P.E. Teacher: _____ Class/Period: _____

1. Senior Varsity athletes are eligible.
2. This request form must be signed by the student-athlete, parent, Physical Education teacher, coach and **returned to Mr. Berardo-Director of Athletics**
3. The student-athlete must attend class until team rosters are submitted by the Director of Athletics to the Assistant Principal. Students will be notified by announcements and their respective Physical Education teacher. New schedules will be picked up in the main office.
4. Student-athletes who are approved for this option will be excused from Physical Education during their respective season. Athletes must return to class on the following dates:
Fall Athletes: October 28, 2019
Winter Athletes: February 24, 2020 (1st day after winter break)
Spring Athletes: Will not return to class

Athletes must return to class on the above stated dates. Student-athletes failing to return to class will not be eligible for Varsity Option for the next athletic season. Each class cut will be reported to the administration and could result in failing Physical Education for the quarter or quarters.

5. The grade that the student/athlete receives will reflect his or her effort. If the student/athlete fulfills all of the requirements of the program, he/she will earn a 100%. If the student athlete does not fulfill the requirements of the program, he/she will earn a 50%. If the student/athlete attends class as required, prior to the start of the program in a particular season, their grade will reflect their effort and participation during their time of participation in class and be averaged with 100% for the remaining weeks of the quarter. For example:

In the event that a new sports season begins during a quarter when the student is in PE class, the student will receive a grade for the amount of weeks that he/she was in class and be given a 100% for the remaining weeks of the quarter. The grade will then be averaged and divided by 2 (i.e. 85% for 6 weeks in class, 100% for 4 remaining weeks = 185% divided by 2, which would be a 92.5% for the quarter)

6. Due dates for the Varsity Option Request form are as follows:
Fall Sports: September 13, 2019
Winter Sports: November 20, 2020
Spring Sports: March 18, 2020

****Forms submitted after the due date will not be approved.**

7. Students who quit or are dismissed from the team must report to Physical Education for the next scheduled class. Failure to return to class will result in failing Physical Education for the quarter or quarters.

The terms of the program are not negotiable!

We have read and understand the requirements of the Athletic Option Program.
