Pre-K RFP Addendum #1

July 30, 2021

Q: If an agency doesn't submit a proposal for 2021-22, are they able to submit one for 2022-23?

A: We anticipate reissuing RFPs for the 2022-23 school year, pending funding from NYSED.

Q: Is the \$5400 per student for 64 students the set amount? Will the number of students lessen in order to allot more money per student?

A: The amount per student is set by NYSED and the Commissioner's Regulations. We cannot increase the number of students in order to increase the per-pupil allocation.

Q: Food services- Is the agency responsible for cost and preparation of both snacks and meals? Meals include breakfast and lunch or both?

A: The following is taken from the NYSED FAQ document: *Prekindergarten programs that operate for less than 3 hours must provide access to a nutritional meal and/or snack. Programs operating more than three hours must provide access to appropriate meals and snacks to ensure the nutritional needs of children are met.*

Q: Will BCSD provide breakfast and lunch?

A: Community based organizations are encouraged to submit proposals that include either their own plan for providing meals or ideas around a potential partnership with the BCSD's Child Nutrition Services Department.
